

Welcome,

We are very excited that you are willing to volunteer your skills and time for Camp Nutimik.

*Our mission is to impact children and youth to become committed followers of Christ through Biblical teaching and discipleship; to influence Christian character through outdoor experiences; and to invest in the development of the next generation of leaders.*

We hope that your volunteer experience with our staff team will give you the chance to help our mission come to fruition and that you yourself will be inspired by God and his amazing creation around the Whiteshell.

In order to provide a safe and fun experience for our kids, staff, and volunteers, we ask that all of our volunteers fill out the following application and government forms. This also gives us a chance to get to know you so you can work in your interest areas at camp.

- **General Volunteer Information Form (2)**
- **Speaker Application Form (3)**
- **A Criminal Record Check** – current within 6 months. This can be completed in Winnipeg at the Public Safety Building or outside Winnipeg at your local RCMP office. This can be sent to the camp after you send in your application, but before your arrival to camp.

**Please Note\*\*** All three forms must be completed and submitted before you will be able to volunteer at Camp Nutimik. All applications will be kept on file. A staff member will contact you by phone upon receiving your complete application.

*In order to maintain an excellent environment for campers and staff, volunteers are held accountable to the same standard as our hired staff. While Camp Nutimik does provide job training specific to the work area, volunteers are expected to uphold the job expectations in work ethic and Christian character. In the event a volunteer is unwilling or unable to do their job well, after meeting with their supervisor they may be asked to leave.*
