Prepare a 150 - 250 word typed entry for submission.

PRINT YOUR ENTRY FORM OFF THE CAMP WEBSITE:
All entries MUST be submitted with a registration form to qualify.
WWW.CAMPNUTIMIK.COM

One first prize of one week of Classic Camp to be used for the 2022 summer camping season at Camp Nutimik will be awarded for each category.

ENTRIES DUE BY:
JANUARY 15TH,
2022

Reflect

Our summer may have looked different this year, but one thing is sure, GOD IS STILL CHANGING LIVES AT CAMP NUTIMIK!

We had 47 campers join us for our Day Camp programs and 20 families come out for our Family Camping opportunities. Here's what some of our staff had to say about their experiences at Camp Nutimik this summer...

Having the campers back on site and watching them interact with each other and the staff, and grow in their knowledge of God, was just super cool! (Paola)

I had a really cool opportunity to give one of my campers their very first Bible, and I have never seen a kid smile so big! It was so exciting to witness! It was super cool to see how the Holy Spirit was working in their hearts and to be a part of equipping kids with the tools that they need to go further in their faith and discover who God is. (Emmo)

Even though this year looked a little bit different for us here at Camp Nutimik, it was great to get to know a bunch of different kids who had never been to Camp before and lead them towards Christ. (Vicki)

For one of the Day Camp weeks, I had the opportunity to be the speaker, and it was super cool because I was able to share the Gospel and share these Bible Stories with the kids and help them grow, and on the other hand I was able to grow as well, in my faith and in my abilities. It was just super cool how God used that situation to both grow the campers and grow me as well. (Michael)

Even though we had so few campers on site each week, every week there were still several stories of campers who were here who really needed to hear the Good News of Jesus, and they did, and it made a real difference. It's just really awesome to see how many of the camper who came here really needed it. (Joseph)

It was such a privilege to be able to welcome our guests back on site this past summer. Through activities (like canoeing, archery and crafts), fun at the beach, and teaching times (like cabin devotions and Chapel) we built meaningful relationships and showed the love of Christ to our guests... it doesn't get better than that!

CAMP IS BACK!

CAMP IS PLANNING THE REOPENING OF CAMP FOR RETREATS AND CAMP PROGRAMS AS OF JANUARY 1ST!!!

We are thrilled to be working toward the work at the heart of Camp Nutimik again.

All site activities will continue to be run in compliance with Manitoba Health Regulations and vaccine mandates which leaves us rethinking how we do some things, but even so, **CAMP IS BACK!**

If you have any questions about vaccine requirements don't hesitate to contact us. We would be happy to chat with you about what the coming months look like for Camp and how we can accommodate your group on site.

While we are already booking rental groups in for the coming months, as of January 1st we will begin running our scheduled events for 2022! Check our website for more information on the Guys Getaway Weekend, WINTERIZED - Winter Camp and our Snowmobile Fundraiser!

2021 SUMMER STAFF

Some **Nuggets of News** from on site:

NUTIMIK NUGGETS

The spring found our canoe racks on the waterfront virtually destroyed from the ice, and so Geoff and his maintenance team built us two new canoe racks. They even included storage for our kayaks on the new structures. They turned out fabulous! Our canoe fleet needed some TLC this spring as well, so we had a team of staff work on minor repairs and tag the canoe fleet with our current logo and properly numbered them as well.

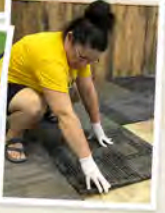

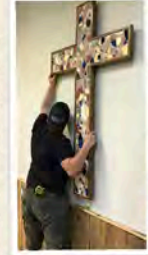

Another dream came true this summer with the installation of a new fire-pit beside the Chapel. We were able to enjoy time around it during the summer when the fire restrictions weren't in place, and are pleased with the intimate setting it offers. We can't wait to enjoy this space with our Leadership Campers and program groups!

We are loving the "new view" in the Dining Hall with the installation of new windows on the lake side of the building!

Of course, with the Chapel updates on the go for the past year, it has been fun watching this project finally coming together! The building interior has been painted, the sound booth has been built, stage carpet and new acoustic panels are installed, along with the past twenty years of summer camp theme verses ready to be hung!

An update from the **CAMP NUTIMIK** FOUNDATION

Through the generous giving of our donors, fundraising efforts, government grants and memorial funds we have been blessed by significant financial support this year. To fund our operational needs for 2021 we started the year with an ambitious fundraising goal of \$260,000. We humbly report that, as of the end of September, we have raised \$220,000 of the \$260,000 goal, leaving us with \$40,000 to raise by year end. In addition, we have met our capital fundraising goal for the Summer Washrooms Renovation project giving us piece of mind that we already have all the funds in place to allow the completion of this project. We trust that God will continue to meet all our needs according to His will and timing.

THANK YOU TO OUR SUPPORTERS FOR CARRYING US THROUGH THESE UNCERTAIN TIMES!

The summer washroom is looking like a building again! Plumbing is in place and the walls have been framed. Visit the **Capital Projects Page** on the website for progress pictures.
