

CABINS

There are a total of nine individually heated cabins housing a total of 90 persons. The first eight cabins consecutively named Willow, Poplar, Birch, Maple, Pine, Cedar, Spruce, Balsam and Juniper are each equipped with 5 bunk beds to accommodate 10 persons each.

The layout of the first eight cabins is similar to this:

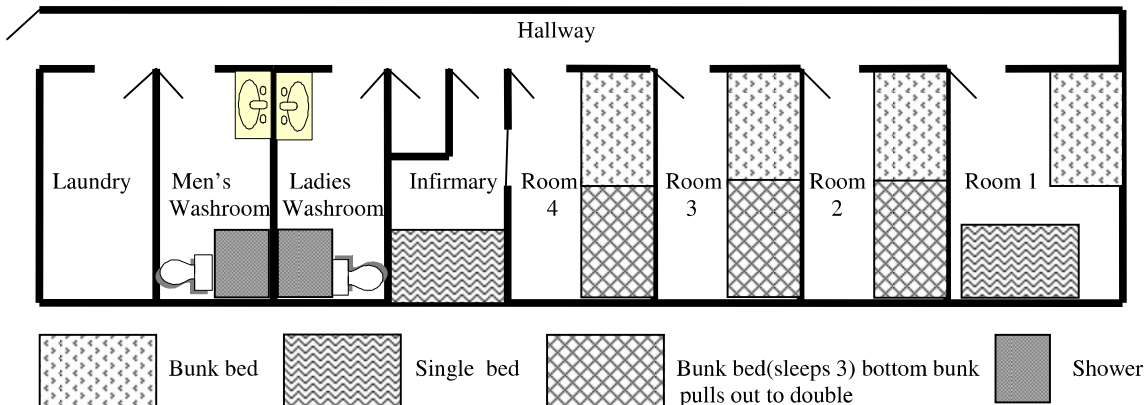

The layout of cabin Juniper is as follows:

LAKESIDE HALL

In addition to the cabins the Lakeside Hall also provides additional sleeping accommodation. *If your group requires Food Service, some of the sleeping quarters in the Lakeside Hall may be used by camp staff.*

*** Please note that bedding is not provided.**
